OUR VISION AND MISSION

Our vision is to become a trusted and leading company in procurement and integrated textile-based solutions (Konveksi), delivering innovation and value that support sustainable business growth. We aim to position PT. Arkana Solusi Indonesia as a reliable partner that upholds quality, integrity, and professionalism in every collaboration.

Our mission is to provide high-quality textile and garment solutions, ranging from uniforms, hospital apparel, bed covers, linens, and other sewn-based needs, while also delivering leather and perlak-based products such as automotive seat covers, interior finishing, and hospital mattress pads. We are committed to building long-term partnerships by understanding client needs, offering customized solutions that prioritize quality, functionality, and design, while continuously improving through innovation, skilled craftsmanship, and sustainable practices.

WHY CHOOSE US

01 Trusted Expertise

With years of experience, we provide professional textile and garment solutions (Konveksi) with a strong commitment to quality and integrity.

02 Wide Range of Solutions

From hospital apparel, uniforms, bed covers, linens, to other sewn-based needs, we offer comprehensive textile products and services tailored to client requirements.

03 Commitment to Excellence

We prioritize timely delivery, reliable processes, and long-term partnerships, ensuring comfort, durability, and design innovation to support sustainable business growth.
